Dear Ted,

I am afraid that I cannot be present at the Golden Jubilee of your church, much as I should like to be there. The time coincides with one of our Clergy Retreats from which I prefer not to be absent naturally.

Lets save ourselves up for our own Golden Jubilees!

Yours sincerely in Xt.,

Dear Mums,

The invitation to the Golden Jubilee came too late for me to make travelling arrangements. As you see by the above address John has been transferred to Kambalda. He is still with West Mining Co., but working on Nickel here. (Underground.) Would love to be in Mulla for the celebrations. Will be thinking of you all, especially dear old Mum + Dad. Please explain to Father John. I realize when you receive this Father it will all be over but guess you see John from time to time. Love to Doreen, trust you are both keeping well. Regards from John. God Bless.

Sincerely
Betty Hopkins

Dear Monsignor Bryan,

Thank you very much for your kind invitation to the Golden Jubilee of the Laying of the Foundation Stone of the Kulluwa Church.

I am very sorry we will not be able to be present as I have been in hospital for some ear surgery and am unable to travel.

I also regret not having replied before this but I thought I would be well enough but

things did turn out as I expected.

My sister May Howard and brother Bill Arnold will be going. I am pretty sure they have sent acceptances.

We are looking forward to the screening of the documentary tomorrow night as we were interviewed by Mr. Evans in connection with it.

I trust that everything will be a great success - I am sure it will be, and I will be looking forward to hearing about it all.

Thanking you again for your kind invitation,

Yours sincerely,
Beccia Bradley.

Dear Monsignor Bryan,

I was extremely disappointed at not being able to attend the Golden Jubilee of Mulla Church. I gave Father Hayes 9 years of my life. I met him in 1915, worked on the Burlington Cathedral as a volunteer. Then I went to Mulla in 1922. I loved nearly all his Masses. Helped him in many private ways. I used to help him with his sermons. He was not a good preacher & never knew when to STOP. He dragged to long, when time to stop BUT even a coughing fit would not stop him. Yes I think I know more of the private life of Father Hayes than anyone & one day I hope to finish my memoirs.

Thine, God bless, Ed Brev

Dear Friend,

Will you kindly convey my sincere thanks to the parishioners for including me in the list of co-workers invited to your Jubilee celebrations.

Thank you all for the invitation, message of thanks by telegram and copy of souvenir booklet. I regret not having been able to attend the celebrations but have since heard all about your wonderful day.

I will forever be grateful for the years spent among the good people of Mullewa. Your Faith was always a source of edification and encouragement.

May God continue to bless you

and your children with that
strong faith passed on to you by
people like the unique Father Dawes.

With very best wishes and
hoping to have the privilege of working
with you again if God so wills.

yours ever gratefully,
Sr M. Josepha.

Dear Monsignor,

Just a little gift to help on with your celebrations. It is exciting to see everyone heading for Mullewa - what a celebration you will have. Fr. Douglass & Mary & Jack O'Brien will represent us as we find it hard to get away. Still we will be with you all in spirit and hope the weather will favour you all.
