

Gerry Eastman

Gerry was baptised and confirmed in St Francis Xavier Cathedral and grew up in the Mullewa area. She attended Our Lady of Mt Carmel Primary School which is adjacent to what is arguably Hawes' greatest work - the Church of Our Lady of Mt Carmel and Sts Peter & Paul.

Gerry is passionate about the work of Hawes and has particular attachment to the newly restored Cathedral as she was Coordinator of the SFX Cathedral Precinct Project which oversaw the \$9m restoration and enhancement of the Cathedral Precinct. She is now SFX Cathedral Tour Guide Coordinator and Coordinator for the Hawes Heritage Events Committee. In early 2017 she organised a Pilgrimage 'In the Footsteps of Monsignor John Hawes' which took in a tour of his early works in the UK as well as a visit to The Bahamas.
